---

**ARCHETYPE:** Caregiver

**TYPE:** Heroine

**STYLE:** Gardener

**SEX:** Female

**AGE:** Adult

**HEIGHT:** ANY

**WEIGHT:** ANY

**HAIR** Yours  
**COLOR:**

**EYE COLOR:** Any

**ETHNICITY:** YOURS

**BODY TYPE:** Cozy

**MISCELLANEOUS:**

**OCCUPATION:** Therapist

**HOBBIES:** Tai Chi, Yoga, Baking

**BACKGROUND:** Practised in many types of therapy, she was in a pharmacy in the basement of a hospital when the attacks came, collecting medicines for her rounds. She filled a small backpack with drugs and ran. She has guided this ever since, hiding it from intruders and successfully managing to make her way, whilst still helping all she meets in need.

**TAGS:** Nurturing, Caring

**NOTES:** How much longer can she survive? She is caring, giving to a fault and has a bagful of drugs i a war-torn world,. She is a target and she nowns it.. time may be running out... Or has she other tricks up her sleeve?
